Dear Parents and Carers,

Voluntary Contributions

Each year we ask parents to make a financial contribution to their child’s education. This voluntary contribution is a valuable source of funding which assists the purchase of learning materials and school resources that may not otherwise be purchased. These resources assist us to maintain our strong commitment to providing an outstanding learning environment for your child/children. If you would like to make this voluntary contribution over several terms, or to the Library Trust Fund, please speak to Audrey in the office. All contributions and donations are endorsed by the School Board and warmly accepted.

Bookpacks

NECS purchases all classroom resources in bulk at the beginning of each year. These resources are distributed to the classrooms for all children to share. Buying student stationery in bulk allows the school to cater for all students and the needs in each classroom.

At Narrabundah Early Childhood School we pride ourselves on providing an excellent education and exceptional learning environment. Your contribution makes this possible and is much appreciated. The cost of voluntary contributions and bookpacks for 2019 are:

Voluntary Contribution	\$110
Bookpack Contribution	\$75
Total	\$185

Thank you for considering this request.

Bernadette Hayes

Principal

Please note: The payment of this financial contribution is voluntary. The education Act 2004 states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential.
