Voluntary Contributions 2020

Dear Families,

Each year schools seek voluntary contributions from families to assist with the purchase of learning materials and school resources. 2020 has been a difficult year to date. We acknowledge and appreciate that many families have suffered financial hardship as a result of the recent COVID-19 world health pandemic. As such the School Board have decided that in 2020 we will not be seeking voluntary contributions from NECS families.

If you have already made a voluntary contribution to the school, you have a number of options available to you:

1. If you are in a stable financial position that allows you to maintain your contribution, then no action is necessary and we thank you for your contribution.
2. You may choose to request that your 2020 contribution be credited to 2021. Please email cathy.macmaster@ed.act.edu.au or call 6142 3828 if you wish to make this request.
3. You may request a refund. Please email cathy.macmaster@ed.act.edu.au or call 6142 3828 if you wish to make this request.

We wish to thank all families for your support during what has been a turbulent year. The staff at NECS have worked hard to keep routines as stable as possible and to continue to deliver high quality learning to your child/ren each day. Thank you for working with us during difficult times.

Kind Regards

Julie Dixon
Principal
