

Narrabundah Early Childhood School does not have a priority enrolment area (PEA). Therefore, when you are enrolling your child and filling in the online form, please see the screenshot below that explains how to select Narrabundah Early Childhood School instead of the school in your PEA.

1. When you are filling in part G, please click on “Select a school outside of your priority enrolment area”

The screenshot shows the 'New school' section of an online form. On the left is a navigation menu with items E through K. Item G, 'School information', is highlighted. The main content area has a heading 'New school' and a bolded instruction: 'An opportunity to nominate your preferred preschool session will occur further in the enrolment process in consultation with the accepting school.' Below this is explanatory text: 'Please select your preferred school/s; you can add up to three schools. To add another school, click the 'Add School' button. For each school you can add preferred sites, to add another site click the "Add school site preference" button.' A second line of text states: 'An opportunity to nominate your preferred preschool session will occur later in the enrolment process.' A dark blue box contains a checkbox and text: 'I acknowledge that I am applying for preschool. If I have selected my local preschool (at the school/s in my priority enrolment area) enrolment in my local preschool is not guaranteed. If I am not offered enrolment at my local preschool I will be offered enrolment at another preschool. An opportunity to nominate my preferred preschool session will occur later in the enrolment process.' Below this is a form field for 'Schools in your Priority Enrolment Area' with a dropdown menu showing 'FORREST PRIMARY SCHOOL' and 'RED HILL PRIMARY SCHOOL'. A link 'Select a school outside of your priority enrolment area' is visible. At the bottom, there is a text area for 'Provide a reason why you are choosing this school (maximum 1200 characters)'.

2. Then at the next box, find the Narrabundah Early Childhood School from the list and select them.

This screenshot shows the 'Schools outside of your Priority Enrolment Area' dropdown menu. The menu is open, displaying a list of school names.
