

Voluntary Contributions 2021

Dear Parents and Carers,

Voluntary Contributions

As you are aware, public schools receive funding from the ACT Education Directorate. To supplement this funding each year we ask parents to make a financial contribution to their child's education. This voluntary contribution is a valuable source of funding which assists the purchase of learning materials and school resources that may not otherwise be purchased. These resources assist us to maintain our strong commitment to providing an outstanding learning environment for your child/children.

At Narrabundah Early Childhood School (NECS) the voluntary contribution may be made directly to the school or paid into a Library Trust Fund. If you would like to make this voluntary contribution over several terms, or to the Library Trust Fund, please speak to Cathy in the office. Contributions and donations are supported by the School Board and warmly accepted.

Book packs

NECS purchases all classroom resources in bulk at the beginning of each year. These resources are distributed to classrooms for all children to share. Buying student stationery in bulk allows the school to cater for all students and the needs in each classroom.

At NECS we pride ourselves on providing an excellent education and exceptional learning environment. Your contribution makes this possible and is much appreciated. The cost of voluntary contributions and book packs for the 2021 school year are:

Amounts

Voluntary Contribution	\$110 for individual students. \$50 for each additional child.
Book pack Contribution	\$75 for individual students. \$50 for each additional child.
Total	\$185 for individual students. \$100 for each additional child.

This year we hope to use voluntary contributions to further enhance our outdoor learning environments and to expand our collection of quality literacy resources. Some families may opt to make a smaller contribution that better suits their family budget. We welcome all contributions.

We are most grateful for your support. Please see payment details over the page.

Yours sincerely

Julie Dixon
Principal

Board Chair

Please note: The payment of this financial contribution is voluntary. The education Act 2004 states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential.
