What we are learning about this term

## Three year old Butterflies

Term 4, 2019

### LEARNING CONVERSATIONS

Here are some questions you can ask your child to provoke a conversation about their learning:

- What is on your news wall?
- Who did you play with today?
- What do you do in art and craft today?

### Inquiry learning through play

Play is incredibly complex and very simple at the same time. Children experiment with a variety of mediums and enjoy the different styles of learning.

### Mathematics

This term we are focusing on:

- Learning about shapes and using as design elements in craft
- Counting numbers 1 – 10
- Beginning to recognise numerals 1 -10
- Collecting student data and recording.

### Health and PE

In the mornings we will be playing outside on the equipment and sandpit.

On both days we will be singing and dancing with the Wiggles. During the term we will be cooking and trying different fruits and vegetables.

### English

This term we are focusing on:

- Oral language and building vocabulary to communicate with one another.
- Building confidence using oral language to develop sentence structure.
- Providing quality literature or retelling concepts and ideas by asking questions and receiving answers.
- Using written symbols to communicate their names.

### Social and

### Emotional Learning

This term we will continue our focus on building a sense of belonging and feeling safe and secure.
